Dear Sirs

**ENVIRONMENTAL PROTECTION ACT 1990**  
**WASTE MANAGEMENT LICENSING REGULATIONS 1994**  
**SCHEDULE 3, PARAGRAPH 13 - REGISTRATION OF EXEMPT ACTIVITY**

Thank you for your correspondence regarding shredding of packaging waste to manufacture wood chippings.

I confirm that the Agency registered your exempt activity under paragraph 13 of Schedule 3 (attached as Appendix A) of the above regulations on 13 June 2005.

May I take this opportunity to remind you that the existence of an entry on the register does not necessarily mean that an activity is exempt. This is a matter of fact according to the activities you actually undertake. You should be aware that activities only remain exempt from waste management licensing if they are consistent with the relevant objectives mentioned in paragraph 4(1)(a) of Part 1 of Schedule 4 to the regulations. This paragraph is attached as Appendix B.

If any of the details you have supplied are incorrect or change you should contact the Environment Agency immediately.

Should you have any queries concerning the above please contact Paul Marlow at the address given below.

Yours faithfully
